

Griffin's Miracle Pot Roast Powder PRP

This recipe is based somewhat on a north African spice mixture. You can use it any time you would use salt & pepper. Sprinkle on bread dough before baking or on any type of meat before cooking. Mix a couple tablespoons of this with ½ cup brown sugar for a barbeque rub.

Mix in this proportion. Use any measure you want, cups, buckets, etc. I would start with teaspoons.

Parts

10 paprika
6 salt
6 black pepper
6 red pepper (some combination red pepper flakes and cayenne)
2 garlic powder
2 cardamom
2 coriander
2 dry ginger
2 onion powder
1 cinnamon
1 cloves
1 allspice
